

**SOUTHWEST DECISION SCIENCES
DISTINGUISHED PAPER AWARDS**

Year	Author and Affiliation	Title
1984	Thomas W. Jones, University of Arkansas Timothy P. Cronan, University of Arkansas Farzad Moussau, University of Arkansas Paul L. Shaffer, University of Tennessee at Martin	<i>Public Employee Perceived Work Environment: An Interpretation of Dimensionality</i>
1985	Uday S. Tate, University of Southwestern Louisiana Lynn J. Loudenback, Iowa State University James H. Underwood, University of Southwestern Louisiana	<i>Moderating Effects of Self-Monitoring on the Fishbein Behavioral Intention Model: A Path Analytic Approach</i>
1986	Ravinder Nath, Memphis State University Jerry Chin, Memphis State University	<i>A Variable Selection Criterion in the Linear Programming Approaches to Discriminant Analysis</i>
1987	Robert Pavur, North Texas State University Ravinder Nath, Memphis State University	<i>Chi-square and F Approximations for Multivariate Tests Using Rank Scores</i>
1988	Paul Wertheim, Abilene Christian University	<i>Trending: An Evaluation of the Effectiveness of State Asset Valuation Models</i>
1989	Ravinder Nath, Memphis State University	<i>A Measure of End-User Computing Success and Its Relationship with End-User Training</i>
1990	John Seydel, Texas A&M University David L. Olson, Texas A&M University	<i>Using the Analytic Hierarchy Process to Determine Optimal Markups in Competitive Bidding Situations Considering Multiple Criteria</i>
1991	Louis W. Glorfeld, University of Arkansas Thomas W. Jones, University of Arkansas	<i>Comments on LAV Regression Estimators: The Good and the Bad</i>
1992	Peter P. Mykytyn, Jr., University of Texas, Arlington Kathleen Mykytyn, University of Texas, Arlington	<i>An Investigation of the Roles Played by Knowledge Engineers During Knowledge Acquisition</i>

Year	Author and Affiliation	Title
1993	Robert L. Heckman, Syracuse University Audrey Guskey-Federouch, Duquesne University	<i>Behavioral Indicators of Customer Satisfaction with Information Technology Products and Services</i>
1994	Bill C. Hardgrave, University of Arkansas Nikunj P. Dalal, Oklahoma State University	<i>Understanding Data Models: An Empirical Analysis of Object-Oriented and Entity-Relationship Modeling</i>
1995	Edward T. Chen, Southeastern Louisiana University Hsin-Ginn Hwang, Northeast Louisiana University P. Pete Chong, Gonzaga University	<i>Task Training in Computer-Supported Collaboration</i>
1996	Donald Baack, Pittsburg State University Kenneth Clow, Pittsburg State University	<i>Organizational Commitment and Paid Members of Volunteer Organizations: An Empirical Investigation</i>
1997	Gale A. Baker, University of North Texas Victor R. Prybutok, University of North Texas Jon Cohen, Lockheed Martin Tactical Aircraft Systems Larry Beck, Lockheed Martin Tactical Aircraft Systems Robert L. Getty, Lockheed Martin Tactical Aircraft Systems Richard A. Huff, University of North Texas Leon Kappelman, University of North Texas	<i>Development of a Quality Survey: A Case Study at Lockheed Martin Tactical Aircraft Systems</i>
1998	Robert J. Vokurka, Texas A&M University, College Station Robert A. Davis, Texas A&M University, College Station	<i>Manufacturing Plant Structural Dimensions and Strategic Groupings</i>
1999	I-Lin Huang, Texas Tech University James R. Burns, Texas Tech University	<i>A Classification of Requirement Analysis Techniques on the Basis of Human Cognition</i>
2000	David Mitchell, University of Houston–Downtown Robert J. Pavur, University of North Texas	<i>Examining the Classificatory Performance of Modular and Radial Basis Neural Networks with Traditional Classification Methods</i>

Year	Author and Affiliation	Title
2001	Joel K. Jolayemi, University of Witwatersrand Festus O. Olorunniwo, Tennessee State University	<i>An Economic Design of Multi-attribute Control Charts</i>
2002	Fred I. Kitchens, Ball State University Queen Ester Booker, University of Arizona Carl M. Rebman Jr., University of San Diego	<i>An Application of Neural Networks to Insurance Underwriting</i>
2003	Melody Lo, University of Southern Mississippi	<i>Optimal Intervention Policy: An Asymmetric Pattern</i>
2004	Chian-Son Yu, Shih Chien University	<i>Factors Affecting Company Decisions to Adopt, Not Adopt, Switch or Exit the E-marketplace</i>
2005	Eugenia Huang, National Chengchi University-Taiwan Cheng-Wei Huang, National Chengchi University-Taiwan	<i>Gender-Specific Websites: How Do Female Visitors Respond?</i>
2006	John Sparks, University of Illinois at Chicago Yuliya Yurova, University of Illinois at Chicago	<i>Comparative Performance of ARIMA and ARCH/GARCH Models on Time Series of Monthly Equity Prices for Large Companies</i>
2007	Shaohan Cai, Lakehead University Zhilin Yang, City University of Hong Kong	<i>Performance Implication of Cooperative Norms</i>
2008	Maxwell K. Hsu, University of Wisconsin-Whitewater Stephen W. Wang, National Taiwan Ocean University Kevin Kuan-Shun Chiu, Lughwa University of Science and Technology	<i>Influence of Attitude, Anxiety and Self-efficacy Toward Statistics and Technology on Statistical Package Software Usage Behavior</i>
2009	Brian Salmans, University of North Texas Leon Kappelman, University of North Texas Robert Pavur, University of North Texas	<i>Validating Determinants of Information Systems Development Maturity Model</i>
